CHINA MENAGED BY FAMINE AND REVOLT

(Continued from Page 7)

Insisted in the face of repeated denials from the throne that the parliament must be called immediately, and therefore China will have a constitution in 1913, instead of 1916, unless it shall be brought forth sooner by some sort of revolution.

China has four hundred million people, and it is almost impossible to convey in words an idea of the tremendous fundamental changes that are now taking place among these people. The extent of the moral and social revolution is illustrated in the case of the crusade against opium smoking. Five years ago the government declared a 10 years war against opium. Since that time 95 percent of the opium-smoking officials have stopped the habit or have been cashiered. No opium smoker has any chance whatever

to stay in the government service. The growing of the opium poppy has been prohibited, the farmers suffering by the loss of 75 percent in land value and even more in the annual value of crops. The opium habit will be crushed out of China, for all practical purposes, in a few years if only England will permit China to prohibit its importation.

BULLETS MISS BUT STOP FLEEING MAN

Charles Moore, state ranger, can take a shot at a man, and stop him without hitting him. He proved this at Abilene, Texas, Wednesday.

A prisoner named Owens, convicted of assault to murder his wife, was found guilty and sentenced to serve five years in the penitentiary, it is stated. He escaped from the district court room and was running along the street when Moore, hearing a shot fired, presumed that the man was an escaped prisoner.

Moore fired four shots at him, the last of which passed between his left arm and his body, and caused him to stop.

CHARGE BAKER WITH RAISING PAY CHECK

Edward Baker is held in the county jail on a charge of being a fugitive from justice at Silver City, N. M., where he is wanted on a charge of forgery. He was indicted there on a charge of raising a pay check for \$7.50 made in his favor by the Socorro Mines at Mogollon, N. M., to \$70.50.

Baker attempted to secure his release by habeas corpus proceedings, but the officers were given until 6 o'clock Friday evening to file a proper complaint, which they did.

BOYS SENT TO JAIL.

Jose Garcia, Isaac Mendoza and Pedro Martinez, the three boys arrested Friday in connection with the taking of a watch from 702 Mesa avenue, have been transferred to the county jail.

MADERO CAPTURED

One of those Orchard Park lots before he left for Casas Grandes. He coaxed that man Tobin to let him have one on a cash payment of ten dollars and agreed to pay five dollars a month until he paid one hundred dollars, when he is to get a deed to the lot.

Madero promised not to tell Orozco of his purchase for fear that Orozco might quit his job and hurry to Orchard Park to buy some lots before they are all sold. Madero's lot will be on exhibition Sunday; take Washington Park car to park and walk one block east to Tobin's branch office. Come Sunday sure if you want to buy the lot next to Madero's.
